

Meet Jason Thomas

- **Location:** Charlotte metro, North Carolina
- **Passion:** Learning Design, Process Improvement
- **What do you like most about your job?** The ability to have autonomy, improve processes, and drive meaningful change
- **Work History:** Microsoft, Amazon, Time Warner Cable (Spectrum), University Distance Learning, School Teacher
- **Hobbies:** Movies, video games, traveling with family, home automation, figuring out how to take over the world, re-watching Marvel movies
- **Family:** My wonderful wife, 9 year old daughter and 5 year old son.
- **3 Interesting facts about me:**
 1. I love musicals and Disney
 2. My road to instructional design started because I couldn't tie my tie
 3. I am a self-proclaimed "Dad Joke Connoisseur" and "Pun Master"
- **Most interesting place I've been:** St. John/St. Thomas (where I got engaged to my wife)
- **If money were no object:** I would finally beat all the video games in my backlog, and have time to go on vacations with my family!
